Jeep® is marking a major milestone in Brazil with the Renegade Willys 10th Anniversary Edition launch, a special model that honors a decade of local production at the Goiana plant in Pernambuco. The compact SUV that launched a nationwide SUV movement is now being celebrated with a limited run of 1,010 exclusive units. 2025 Jeep® Renegade Willys 10th Anniversary Limited Edition 4×4. (Jeep). It's the second-best-selling market behind the United States, and it's home to a manufacturing operation that has produced over 1,000,000 SUVs over the past decade, more than 57% ahead of its nearest rival. All versions of the Renegade sold in Brazil are powered by a 1.3-liter turbocharged engine that produces 185 horsepower and 199 pound-foot of torque. The Willys Edition, like the Trailhawk, comes with a nine-speed automatic transmission that sends power to all four wheels. It also boasts a jacked-up suspension, electronic differential lock, low mode and terrain selector, and hill descent control.
